

## NSW CHAPTER

### PRESIDENT'S REPORT 2018

This year the NSW Chapter has continued its Seminar series with the April Seminar: "Oh no, What Shall I do?" The Seminar provided guests with a scenario covering a multitude of challenging dilemmas for leaders in the school. A hypothetical-style panel with comprehensive expertise in different areas responded to the scenario as each part of it was revealed and answered questions posed from the floor. The format was very well received and is the basis for the second Seminar to be presented at the end of October and centred on harm, of all kinds, encountered in schools. (Unfortunately, this did not eventuate.)

This year the Chapter provided three scholarships for attendance at the National Conference: the Robert Horton Memorial Scholarship provided to Joanna Ernenwein, and two NSW Chapter Grants to Vicki Fitzgerald and Alex Walker. There were a number of applicants for these scholarships and the standard was high. We look forward to the winner's reports.

The Chapter will continue its work to increase membership and make links with others. We acknowledge we still have much work to do in this area.

On behalf of the Chapter, I acknowledge the continued support and assistance provided by Sydney Grammar School in the provision of premises in which to hold our Seminars and AGM.

I would like to thank the Committee members for their time, support, fine efforts and contributions throughout the past year:
